

# Spiritual Blessings

## Eph 1:3–14

These are some questions that we will discuss on Sunday morning. This is all laid out in the passage of scripture listed above. I'd like us to think on the blessings with which we are blessed, the reasons for those blessings and the purpose of those blessings.

Praise God, He is to be praised!

What are spiritual blessings?

What is the limit to these blessings?

What is the purpose of these blessings?

Do those blessing extend to us here and now?

Who is doing the blessing?

Why has He blessed us?

When did we receive these blessings?
